Tentative Date Set For First WNTC Broadcast

Nick Sfikas, General Chairman of the P.S.T.C.-C.C.T. Radio Station, W.N.T.C., has announced that all recording equipment has been ordered and immediate delivery has been promised. It is hoped that by the first of March, that the material will be on hand. W.N.T.C. will then be able to go on the air around March 6th.

The announcers who have been accepted for key posts will be notified this week. Others who were screened will be assigned to regular programs. Screening will continue and announcer's classes will begin soon under the direction of Mr. Schaal of P.S.T.C. and Mr. McGill of C.C.T.
